Seance 05 – La semaine du 26 septembre

This week at French Club we did the following:

Checked up on the take-home activities that the students have been working on. They’re doing great with these, and putting in a lot of effort. Hope not too many of you tried to go to the Feast of the Hunters’ Moon on Sunday in the rain! If you notice that they don’t have a stamp on one of the take-home activities, make sure they point it out to us.

Take home activity

Go to the web site http://us-africa.org and choose one of the countries whose names are printed on the Paris-Dakar map. The named countries are the ones where French is spoken. Look on the web site to find the flag for that country, and print it out, or draw it in your cahier. If you want to practice your colors, you can also write next to the flag the colors that are in the flag.

There is an extra Muzzy worksheet here for anyone that wants to practice more.
