

**Code of Conduct  
2019 Science Olympiad Regional  
Purdue University**

**Must be submitted during registration on Sat., February 9, 2019**

Student participants are expected to compete in tournament events with an honest effort to follow the rules and to uphold the spirit of the competition. The goal of competition is to give one's best effort while exhibiting honesty, integrity, and good sportsmanship.

Students, coaches, and parents are expected to display courtesy and respect toward Olympiad officials, other teams, and guests of the Olympiad. Please remember that all the officials are volunteer specialists in their fields and should be extended every courtesy.

The behavior of both students and coaches should conform to the spirit and the letter of the rules. Professional behavior is expected at all times. Failure to show honesty and courtesy by a participant, coach, or guest of a team may result in the disqualification of the team from an event or from the entire tournament. Seating on the first floor auditorium may be limited to names that appear on this form.

**In signing this Code, we attest that our team supports and will adhere to the principles and ideals upheld by the Science Olympiad.**
