

- Build Event Buildings (COREC, CL50)
- Award Ceremony (CL50 224)
- Refreshments for parents/coaches (PMU)
- Homeroom Buildings (REC & BRNG)
- Academic Event Buildings (KNOY, GRIS, WTHR, BRWN, WALC)

To get to the COREC, just head West on Third street.

You will reach the intersection of Third Street and Martin Jischke.

Turn right on Martin Jischke and you should see a parking lot next to the COREC

Our volunteers should be at the side entrance to guide you to where Helicopters and Wright Stuff will occur

It is very important that you USE THE SIDE ENTRANCE and NOT enter through the main entrance. This will help you get to your event quicker and easier.
