## **Open leadership positions**

Unfortunately our current president Julius Keller will be stepping down by the end of this semester. Adam Landers will also leave AGC next semester and will not be able to take up the position.

All AGC members are invited to apply for these open leadership positions; if you are interested please join us on December 4th, 2:30 pm at the Operations Center / NISW.

This is an amazing leadership opportunity and you can show your skills as project manager and leader.
