

PURDUE BOWLERMAKERS
Purdue Women's Bowling League

Rules
2009 – 2010

GENERAL INFORMATION

1. United States Bowling Congress (USBC) rules will prevail. <http://www.bowl.com/rules/index.jsp>
2. This is a closed handicap league consisting of a maximum of ten (10) teams. Members are to be female. Membership is limited to Purdue employees (current or retired), immediate members of an employee's or student's family, or Purdue students. All present bowlers other than the above may continue bowling in the league until they terminate from their respective team. After that time, the above rule is in effect.
3. Teams will consist of three (3) members and optional alternate(s). Team captains (see rule #9) and team names will be chosen by each team.
4. No pacers will be allowed.
5. The season will consist of 30 weeks with three position nights. The first night of league bowling will fall within the first few weeks of the Purdue fall semester. The organizational meeting will be held on or prior to the first night of bowling. There will be no bowling the Wednesday before Thanksgiving or the weeks of Christmas and New Year's.
6. The legal lineup for league play must consist of at least one (1) regular member bowlers present and at least one regular member's prebowed scores or a substitute present.
7. **Prebowling:** Prebowling must be approved by a league officer. No league member may prebowl more than 2 times in a row and/or more than 6 times in a season. Prebowed games must be done before the night you are not bowling. Please let the other team know if your entire team is prebowling. In addition, if an individual team member is prebowling, please be sure to let your teammates know that you are doing so. No prebowed games will be eligible for perfect attendance, high game, or high series awards.
8. Any matter requiring arbitration will be considered by an executive board consisting of the team captains and the four officers. A quorum of this body consists of 2/3 of the team captains and three of the officers.
9. No league officer can be a team captain.
10. The secretary/treasurer will be responsible for sending cards (sympathy, etc.) from the league. Sending flowers, etc., will be based on a league vote.
11. Election of officers for the succeeding season will be held at the final meeting (banquet night) of the league season. Replacement elections for resigning officers will be held at the first meeting preceding the league season, or during the season at the first bowling night after resignation.
12. The Rules Committee will be by volunteer (or if no volunteers, names will be drawn) at the final meeting (banquet night) of the league and should present the league rules for voting at the league's first meeting of the next season. If such a committee is not selected at the banquet, then the Rules Committee will consist of all league members, who will review the current rules and present suggestions for league rule changes to the Secretary/treasurer prior to the beginning of league play, who will present these changes at the league's first meeting of the next season for voting.

13. Other committees will be by volunteer, or if no volunteers, names will be drawn. Previous members will be exempt for one year. Nominating Committee will be all league officers.
14. Only team bowlers are allowed in the bowling area. Visitors (children and other guests) must sit behind the railing. ONLY BOWLERS are allowed on alleys. Due to crowded conditions, if visitors cannot be contained, you will be asked not to bring them again. There will be one (1) warning before requesting that they not be brought back.

FEES

15. All bowlers must be sanctioned the first night they bowl. The fee is \$17.00. (Checks made payable to "Purdue Bowlers.") A bowler who is sanctioned in another league does not have to pay the fee again, but must fill out a membership card for this league.
16. The weekly bowling fee is \$8.00. (Checks made payable to "Purdue Bowlers.") **The team captains will submit to the secretary/treasurer by the 6th frame of the first game** the correct amount of money for her team and include a list of the persons bowling and the amount paid by each.
17. In case of a substitute bowler or blind, the regular bowler must pay the full weekly fee.
18. The league secretary/treasurer will be paid at the end of the season as follows: 20 cents/bowler/night.
19. Captains are responsible for notifying the league secretary/treasurer of any dropouts. If a member is two (2) weeks behind, she MUST pay by the third week; otherwise the team member will not be allowed to bowl in the league and may be subject to dismissal for nonpayment of bowling fees. Dismissal for nonpayment of fees must be on the recommendation of the executive board of the league to the USBC.

SCORING

20. A team member will establish her average during the first night of competitive bowling based on three (3) games completed.
21. Team handicaps will be figured on the following basis: after team averages have been established, subtract total pins from 600, then take 90% of the difference to set the team handicap.
22. In the case of an absence by a team member and no substitute is found, an absentee score of the member's established average minus ten (10) pins will be used. For calculating the handicap, the member's average should be used.
23. In instances where substitutes are used who have no established averages, handicaps will be figured after the bowling is completed and the substitute's three (3) game average has been determined. In this case the average of the absent regular team member is not used.
24. In the event of the loss of a regular member of a team, a vacancy score of 120 will be used after a period of two (2) weeks. During the two-week period, the blind score of the departing bowler will be used. This vacancy score of 120 will also be used in the event that a bowler who has not established her average for the current season is absent.
25. **BOWLERS WILL BE READY TO START AT 6:00 PM.** If a bowler is tardy, she will have until the end of the third frame of the first game to catch up. If she appears later in the first game, an absentee score (average minus ten) will be used, but she may bowl the second and third games. If a team does not have a legal lineup by the end of the third frame of any game, the game will be forfeited.
26. An eight (8) point system will be used. Two (2) points for each game won and two (2) points for total pins won will be awarded. Should a tie for first place occur upon completion of the last game of the

league season, a three (3) game series should be bowled the next night to determine the winner. Total pins will be used to determine the winner. If total pins are equal, a two frame bowl-off will occur and continue to occur until a winner is determined. A three game series must also be bowled if the league decides to break a tie for any other position standing. In case of other ties, total pins will be used to determine the winner.

27. Verification of the individual team scores is the responsibility of a team member, who will then write the scores on the recap sheets. The league secretary/treasurer will be responsible for verifying the accuracy of the addition on the won/lost recap sheets.

PRIZES

28. Awards will be given for the following:

First Place Team	Most Improved Bowler
Second Place Team	Sportsmanship Award
Third Place Team (if we have 9 or 10 teams)	(voting by closed ballot the last night of bowling)
High Individual Average (scratch scores)	Perfect Attendance (Exceptions, see Rule 33)
High Individual Game (scratch) (Exceptions, see Rule 33)	200 games bowled
High Individual Series (scratch) (Exceptions, see Rule 33)	500 series bowled
	600 series bowled

These awards will consist of either cash prizes and/or other tokens of recognition. The type of recognition given will be decided upon by the Prize Committee. (200 games/500+600 series have traditionally been awarded charms or pins.)

29. A team member must be a paid-up member (member in good standing) at the end of the league season and must have bowled 1/2 of the season (at least 15 weeks) to be eligible for individual prizes. If a new bowler will not have completed 1/2 of the season (at least 15 weeks), it is up to the remaining members of the team to decide how the prize money will be divided and to notify the new member before she starts bowling.
30. For a team with more than three (3) regular members, the team captain will decide how the team's prize money will be divided and will let the secretary/treasurer know prior to the banquet.
31. No substitutes may qualify for any individual or team prizes. Substitutes will be eligible for 200/500/600 awards, which are paid for by the Union Rack and Roll, but may not be eligible for any other individual or team prizes.
32. No individual may win more than one individual prize. This DOES NOT include winning 1st or 2nd place in the overall season team standings. The order of the individual prizes is as follows: (1) high individual average, (2) high individual game, and (3) high individual series.
33. Any individual with perfect attendance will receive a charm/pin/award. No prebowled games will be eligible for perfect attendance, high game, or high series awards.

SUBSTITUTES

34. Bowlers will notify their team captains when they are unable to bowl and the BOWLER will be responsible for securing a substitute and checking to make sure that she is, or will be, a sanctioned bowler. The bowler will contact the substitute two (2) days ahead of time, except in the case of an emergency.

35. No new substitutes can be brought into the league during the last four (4) weeks of the league bowling season.

RESIGNATIONS

36. A resigning team member must give two (2) weeks notice to her team captain and league secretary/treasurer. To avoid any misunderstanding, the resignation should be in writing or by email to both the president and secretary/treasurer. If a replacement has not been found by the time she leaves, she must pay the next two (2) weeks of scheduled bowling fees.

RESCHEDULING, POSTPONEMENTS & DEFAULTS

37. The league officers will decide if a night is to be canceled and they will notify the team captains. The captains should then notify their team members. It will be up to the league members to decide if it is to be made up.

During times of inclement weather, we will notify everyone by email if we plan to cancel or postpone, and we will also attempt to notify TV18 (<http://www.wlfi.com/>) to be included on their ticker.

38. Failure of a team to bowl when scheduled will be considered a default unless the failure to bowl was due to what is considered by the executive board of the league as sufficient cause. In this case, the team failing to bowl has the option of defaulting or making up the games before the next scheduled bowling date (7 days). The league secretary/treasurer will reschedule the match under the rules, which apply to postponements. It is allowable for one team to make up a series by pre-bowling the games on the correctly assigned alleys (if available), while the other team bowls on the assigned night unopposed. If a team is bowling unopposed, they shall turn in their scoresheets so that the other team may have the opportunity to check scores if needed.

39. IN CASE OF FORFEITURE, the points must be "earned" by the team who is bowling. They must bowl within 45 pins for the team per game. This is actual scores, no handicaps included. If they do not meet the pin requirement, the points for that game or total pins will be recognized as "unearned points." For example:

Team 13 - Unrulies		
	Ave.	15 pins less
June	120	105
Edith	130	115
Fran	140	<u>125</u>
		345 total
		<u>x 3</u> games
		1035 total pins

As a team, they must bowl 345 pins each game (or better), and at least 1035 for total pins to receive points. The forfeiting team will receive no points. A separate column for "unearned" points will be shown on the weekly standing sheet.

40. In the event of equipment failure, the league officers can authorize the game and series to be completed on another pair of lanes. An interrupted game and series will be resumed from the point of interruption. Upon agreement between the teams involved, the interrupted game/series can be continued when another set of lanes opens, OR the teams agree to reschedule to another night (can either bowl together or separately) (must be completed before the next scheduled bowling night).

FOULS

41. Due to the construction of the Union Rack and Roll bowling lanes, the side walls on alleys 1 and 10 and the inside pillars (which are past the foul lines) are not going to be easily considered a legal foul. If you are visually trying to keep yourself falling past the foul line, it will be a foul and you will lose the pin count from the ball you have thrown. If you are just leaning on or touching the walls or pillars, this will not be a foul.

BANQUET

42. The banquet will be held within two weeks of the last night of bowling in order to give some leeway in finalizing team standings, averages, prize money, and trophy engraving.

SMOKING

43. There will be NO SMOKING allowed. PMU is a smoke-free facility.

WEEKLY PRIZE DRAWING (50/50)

During the first two games of each bowling night, there will be a drawing for cash prize from tickets selling at 50¢ each or two for \$1.00. This is strictly voluntary and you should not feel pressured to buy. Half the money collected will go into the treasury; the other half to the weekly winner. Money going into the treasury will be used for prizes and/or the banquet, and will be shared by all. [For example, for the 2002-2003 season, 1/2 of the weekly prize treasury money was used for the banquet meal fund, 1/4 for banquet favors, and 1/4 was used for prize money.] The team managing the weekly prize drawing will be determined at the banquet or at the organizational meeting, either by the Nominating Committee or by a vote of the membership. For the 2009-2010 season, it was voted on and approved at the organizational meeting on August 26th that the team playing in lane 1 each week would manage the drawing OR if there is an uneven number of the teams, the team without an opponent that week. If a team is not present on its designated night, then the officers present (or volunteers) will manage the weekly prize drawing that evening.

RULES ENFORCEMENT

44. Observed rule violations should be brought to the attention of your team captain. If it is a fellow team member, the team captain is responsible for enforcing the rule. If a member of another team is observed violating the rules, an officer should be notified. That officer will notify the sergeant-at-arms, who will work with the offending bowler's team captain to resolve the problem, as the team captain may have already spoken to her teammate.

OTHER LEAGUE NOTES

- ✚ The Purdue Union Rack & Roll does not allow food from outside (non-PMU) restaurants.
- ✚ Note to team captains: USBC and LWBA present awards for any of the following. Please notify the league secretary/treasurer if any bowler completes one of the following:

USBC Awards (2009-2010)

Individual Game Awards

125 game with a 90 average or below
150 game with a 110 average or below
175 game with a 130 average or below
200 game with a 145 average or below
200 game with a 145 average or below
225 game with a 160 average or below
250 game with a 180 average or below
275 game with a 200 average or below
300 game

Series Awards

300 series with a 80 average or below
400 series with a 105 average or below
500 series with a 130 average or below
600 series with a 160 average or below
700 series with a 190 average or below
800 series
900 series

Special Awards (not average based)

75 pins over average game
100 pins over average game
140 pins over average series
Triplicate series
Big 4 split
7-10 split
All spare game
Dutch 200 game

Local Awards (2008-2009)

Clean game (no open frames; all strikes or spares) (towel)
Clean series (3 games) (shirt)

BOWLING ETIQUETTE

A code of etiquette has been established and accepted by bowlers everywhere. Few of its rules are official, but bowlers should be courteous and give consideration at all times to the rights of other participants, including avoiding delaying the game by taking unnecessary time.

1. Be on time for league play.
2. Prepare to take your turn promptly on the lane. Be ready to bowl when the pins are set.
3. Don't take too long to aim or get set up when you are on the approach.
4. Stay on your own approach at all times. Step back off the approach after making each delivery.
5. The bowler on the right should bowl if both reach the approach at the same time. Step back of the approach while you wait and indicate to the adjacent bowler that you are going to bowl after she does.
6. Do not use another player's ball, towel, etc., without her permission.
7. The approaches may not be exactly to your liking, but you cannot use talcum powder, etc.
8. Good bowling requires concentration. Bowlers should always keep in mind that when others are preparing to bowl, excessive noise could be distracting to them.
9. Respect the equipment. Lofting the ball damages the lanes. Kicking the ball rack doesn't help anyone.
10. Be a gracious loser if you are on the short end of the count when the game is over.
11. Do not carry refreshments onto the approach. Spilled liquid can create problems for all the bowlers.
12. If you are prebowling, please be sure your teammates know that you are doing so.
