Lecture 27 – 11/6/2015

Pages (394 – 399, 514 – 520)

- Duality in the Discrete-Time Fourier Series
    - Example 5.16

- Duality between Discrete-Time Fourier Transform and Continuous-Time Fourier Series
    - Examples 5.17 – 5.20

- Introduction to the Sampling Theorem

- Impulse Train Sampling and the Sampling Theorem
