1. What do you like the most about your paper?
2. What are you struggling with the most in this paper? (This can be an overall question, a specific question on organization or grammar, etc.)
3. What information did you receive during peer review that was helpful and you may probably use in your paper?
4. What information did you receive during peer review that was *not* helpful and you will not use? Why?
5. What are you going to rewrite, revise, and/or develop in this draft? Be specific.
6. What common grammar and/or punctuation problem do you see coming up again and again in your writing?
