School / Department: __________________________________________________________
Research interests: __________________________________________________________

Dues\(^2\): __________________________________________________________

Date

\(^1\) Regular membership is eligible to undergraduate and graduate students who are associated with the field of geoengineering. Regular members shall be student members or must have applied for student membership to the Geo-Institute (G-I) of the American Society of Civil Engineers (ASCE). Affiliate membership is eligible to staff, faculty, and visiting scholars who are associated with the field of geoengineering. Affiliate members shall be members of the G-I of the ASCE.

\(^2\) The annual dues for Regular or Affiliate membership are $10.00. They are in addition to the current national membership dues (if any) of the G-I of the ASCE. In case of a student graduating within a semester, the dues may be prorated to one half of the yearly dues. The dues are payable to the "Geo-Institute Student Chapter at Purdue University".
