Time and Distance Data

If a party splits, the second party must fill out this portion on a second Form for the area that it covered, or the main party leader can add the two sets of data together and place the total on this form.

- 1. Total Party Miles Afoot \_\_\_\_\_ Miles
- 2. Total Party Time Afoot \_\_\_\_\_ HH:MM or decimal
- 3. Total Mileage By Car (at less than 20 mph) \_\_\_\_\_ Miles
- 4. Total Time By Car (at less than 20 mph) \_\_\_\_\_ HH:MM or decimal
- 5. Feeder Time (home watcher ONLY) \_\_\_\_\_ HH:MM or decimal
- 6. Owling Time (nighttime) \_\_\_\_\_ HH:MM or decimal
- 7. Owling Time (nighttime) \_\_\_\_\_ HH:MM or decimal
- 8. Total Parties \_\_\_\_\_ # of Parties
- 9 Total Participants in Party \_\_\_\_\_ # of Participants

Participant Information

Name	Street Address, City, Zip	email	Phone Number
A.	_____	_____	_____
B.	_____	_____	_____
C.	_____	_____	_____
D.	_____	_____	_____
F.	_____	_____	_____
G.	_____	_____	_____

Instructions

- 1. Thoroughly read the CBC Guidelines and carefully review the list of data needed to complete the Final Report Form. This includes the bird totals, time and miles in the field, etc.
- 2. Go to the Pre-Count Planning Session before the December meeting for your Count area assignment, special instructions and party leader packet.
- 3. The party leader packets include your area assignment map, rare bird documentation form and field tally sheet.
- 4. Return your Final Report Form and Documentation Forms during the Post-Count Compilation Party the evening of the Count day unless prior arrangements have been made.
