

PERMISSION TO TRANSMIT INFORMATION

The Buckley Amendment or the Family Educational Rights and Privacy Act (FERPA) prohibits the transmittal of any “nondirectory” information about you without your written consent. Purdue University does not currently define photographs of students, other than sports-related photographs, as directory information. Therefore, the personally identifiable photograph may be posted only with the written consent of the student. Since the Pi Sigma Alpha Political Science Honorary Society is a recognized Purdue University student organization, we are required to follow the FERPA guidelines.

In order to allow us to transmit your photo, we are asking that you waive your rights under the Family Educational Rights and Privacy Act (FERPA) to require written approval for each photo that we may post. If you understand and agree to these conditions, please sign the waiver below and return it to the Pi Sigma Alpha office in BRNG 2247 or the Political Science main office in BRNG 2299. This authorization will be in effect (unless we are otherwise notified in writing) until you complete your requirements at Purdue University.
