-Applications for a new external affairs director will be out soon, also it will soon be possible to apply for several other director positions

Feedback from Evaluations

-BoD does not have a close enough relationship with cabinet, Eric will try to attend more BoD meetings

-New focus is on a united PSG with more commitment

-Directors will have more influence, office hours will be more strictly enforced

Goals-

-more group participation

-e-mail organization and attention

-a picture book of people in PSG to get to know them better

-help other people on work and projects during office hours

-post events in office

-prevent procrastination

-more listeners for the Radio Show

-more voter awareness, sign up table

-more co-op work with other organizations, better contacts and information

-more pictures in office

-make sure everyone has a job and is working on it, staying focused

-if on computers in office make sure you are doing something productive

-have more pride in everything we do!

-if problems come up, make them known and ask for help

-getting more funding to create another newsletter

-getting more and new guests for the radio show

Ways to make goals a reality-

-be prompt in telling directors if you are having trouble or need help

-have more fun with your jobs

-take a picture with Mary to be organized in office and displayed

-we should create a social chair position

-meet weekly in groups

-create a central place to sign up for events

-create a list of projects and who is running them, place this info on the projects page of the website

-participate in the Face to Face campaign, combine with Senate and Court

-weekly reports or monthly reports

-directors need to be tougher on their teams and pay closer attention to progress

-create a specific place for marketing forms
