A Letter from Your President

Student Body Elections are wrapped up, and we will be announcing the winner this evening. In the spirit of that, PSG will be working to transition in the new administration as quickly as possible so that your next student body leadership can hit the ground running. I want to remind students that the last Senate meeting of the 2008-09 Student Senate will be on April 8th at 7pm in KRAN G018, and the first Senate meeting of the 2009-10 Student Senate will occur on April 22nd in the same place. If you want your voice to be heard, these would be great opportunities.

Hail Purdue,
Eric Barnard
Student Body President

This sparked the idea to invite a group of ten successful and outstanding individuals to campus for the purpose of sharing ideas and experiences with the student body, thus comprising the first ten Old Masters.
