

2009 Student Organization Assembly

The Student Activities and Organizations area of the Office of the Dean of Students hosts the Student Organization Assembly each year for both new and returning organization officers. The purpose of the event is to allow student leaders to network with each other and also with offices on campus that can be helpful to them during the course of the year. Some of the campus representatives who will attend to discuss services they offer and provide information are the Purdue Police, Space Management, the Business Office for Student Organizations, and Risk Management. The 2009 Assembly will take place on Monday, September 21st from 6-8:00 p.m. in the PMU North Ballroom with a brief presentation by the SAO staff and plenty of time to talk with the representatives. New policies and important information are discussed at the assembly and it is expected that all student organization presidents and/or executive members attend.

Industrial Roundtable

With over 250 companies coming on to campus to recruit Purdue graduates, the Purdue Engineering Student Council is proud to be hosting its 30th Annual Industrial Roundtable. Seminars will be on September 14, 2009 in Stewart Center. Job Fair on September 15 and 16, 2009 on Memorial Mall.

Shakespeare in Academy Park

Come enjoy this year's production of Shakespeare in Academy Park! The show will be Sunday Sept. 27th at 3 pm. Sit on the lawn and enjoy the fall weather while you watch students perform clips from Shakespeare's most famous plays (such as Twelfth Night, Romeo and Juliet, and Macbeth).

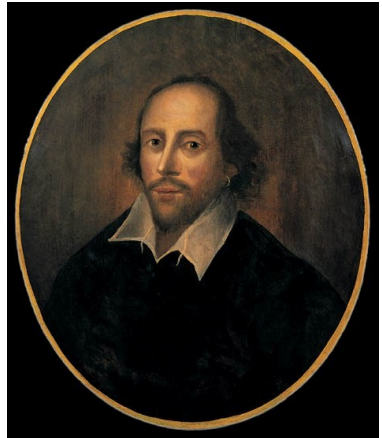

Brought to you by Purdue Student Union Board.
