

Purdue Campus Safety

How safe are you on our campus? Very safe. The Purdue Police and West Lafayette Police are making sure of it. This last month has been very busy for Purdue Police and West Lafayette Police. There have been tragic events and no doubt students are curious about what is going on. Last week at Purdue Student Body Senate, Chief Cox and Chief Dombkowski attended and spoke about the recent dangerous occurrences on our campus, as well as new regulations, and the new crosswalk and pedestrian safety campaign. They guaranteed that they are doing everything in their power to maintain our safety and that this has been a difficult start to the year but there is no reason why it has to continue on the same path. Thanks to both Chief Cox and Chief Dombkowski for taking the time to address the Student Senate.
