Welcome to Purdue Crew Parents Club!
Your son or daughter is part of crew, so you are automatically a member of the club. Welcome! We look forward to meeting you, in person, at an upcoming event. We are all volunteers and firm believers in “The more the merrier!” We hope that this letter will answer question you may have about how the Parent Club runs, and what we do.

Who are we?
Anybody who has a son/daughter on the Crew Club

What do we do?
Our biggest task is providing food for the team, and families, at every Regatta. If we don’t show up with food, the team doesn’t eat! Most of the events are not near places where the team can purchase food, so it is essential that we are there. After the team eats, the families are welcome to eat too!

How are we funded?
Donations! Donations! Donations! We do not receive any funding from the University, or the dues you pay monthly. We rely on donations, both food and monetary, to make the meals at the races.

How can YOU help?
Volunteer! We always need help!!!!! Not only are donations needed, but at the races, we can always use a hand!

How does it work?
Usually, about two weeks before a Regatta, the volunteer family that is coordinating will send out a menu and a list of ingredients requested. You can contact the coordinator directly and let them know what you can donate. If you are not able to donate supplies, monetary donations are always welcome! They can be sent directly to the treasurer. Think of how much it would cost to feed your athlete three meals, water, Gatorade and snacks per day. Any/all donations are welcome!

What else do we do?
Organize food preparations at regattas, organize supplies at the boathouse, welcome parents, sell t-shirts, be a photographer, be on the committee, and help wherever we can.

We hope this makes it a little clearer as to what the Parents Club role is in your athletes race weekend. If you can’t make it to regatta day you now know how you can help, contact the regatta organizer to send food or donations to the treasurer.

One of our goals is to keep all families as informed as possible. If you are not already receiving emails from the parents club, please let one of us know and we will add you to the list. There is a lot of information we share, and want to be sure you don’t miss out!

We look forward to meeting each and every one of you at the next race. If you have any suggestions or questions, please don’t hesitate to contact us!
