2. Mortar Board Nominations

The Purdue's Mortar Board is a National Senior Honor Society. You must be nominated for membership. The person nominated must be able to participate for a whole year of their senior year, even if he/she does not graduate until the following December. If you go to the link (<http://web.ics.purdue.edu/~mortarbd/>), click on "Mortar Board Nominations" on the left hand side of the page, and fill out the information about the person you would like to nominate.

Nomination end on 5 PM, Friday, February 16, 2007. Below is a bit of information about the history of Mortar Board.

About Mortar Board at Purdue University: Mortar Board, upon its founding at Syracuse University in 1918, became the first national organization honoring senior college women. In the Fall of 1926, the Purdue Chapter of Mortar Board was chartered and since that time has grown to preeminence in the national organization, which claims 191 college chapters. Mortar Board remained a society for senior women until 1975 when men were permitted to be selected to its prestigious ranks.

Mortar Board members are selected for their superior scholarship, dedicated service to the university community, and outstanding and constant leadership. Mortar Board can be found assisting special university leaders, holding a leadership conference, backing intercollegiate athletics, and honoring staff members who are especially supportive of students. The YWCA Women's Shelter, Community and Family Resource Center, the Liberal Arts Learning Center, Span Plan, and University Day have all benefited from Mortar Board's financial assistance.

Over the past 60 years Mortar Board has given \$821,000 in fellowships and awards to Purdue students, staff, and student organizations. The money for these fellowships and awards comes largely from the annual sales of the well-known calendar, appropriately named, the Mortar Board. Thanks to the sale of roughly 28,000 calendars in 2005-2006, Mortar Board will once again be able to present fellowships and awards to Purdue students, staff, and student organizations.

The Barbara Cook Chapter of Mortar Board is so named to honor retired Dean of Students Barbara Cook, who advised Mortar Board from 1956 to 1986. To honor Dean Cook, Mortar Board, along with friends and former students, donated a University marker which stands near the corner of Stadium and Northwestern Avenue.

5. Grand Prix Scholarships Available

Centered on their motto of “Students Helping Students,” the Purdue Grand Prix Foundation distributes over \$10,000 in scholarship monies annually to deserving students based on academic achievement, campus and community involvement, and need. The primary function of the annual Grand Prix race is to raise funds for these scholarships.

The 2007 Grand Prix Scholarship and Ambassador application is available online at www.purduegrandprix.org; click on the “Scholarships” page. All applications are due to the Grand Prix office (STEW G2) by 5 PM on February 23, 2007. For more information, please contact Grand Prix President Brad Nicholson at nicholbr@purdue.edu or (765) 494-2708.

The 2007 Grand Prix race marks the 50th Anniversary of this unique Purdue tradition. Please visit their website to learn more. The Grand Prix Foundation looks forward to seeing you on Saturday, April 21, 2007 for “The Greatest Spectacle in College Racing.”
