IMPORTANT

I UNDERSTAND THAT THE AGREEMENTS MADE IN THIS FORM (AF IMT1056) AND THE DD FORM 4/1 THROUGH 4/2 ARE ALL THE PROMISES MADE TO ME BY THE GOVERNMENT AND CONSTITUTE THE ENTIRE AGREEMENT. ANYTHING ELSE ANYONE HAS PROMISED ME IS NOT VALID AND WILL NOT BE HONORED, UNLESS THOSE ADDITIONAL TERMS OR REVISIONS TO THIS CONTRACT ARE MADE IN WRITING AND AGREED TO BY ME AND AN AGENT OF THE AIR FORCE WITH THE AUTHORITY TO BIND THE AIR FORCE TO THOSE ADDITIONAL TERMS.

This agreement is entered into between the Department of the Air Force and

hereinafter referred to as the Cadet (with the consent of the parent or guardian of a minor, as defined by the laws of the state wherein the cadet is or will be enrolled) pursuant to the provisions of 10 United States Code, Sections 2104 or 2107, as promulgated by DOD instructions and directives and Air Force Instructions. In consideration of the mutual benefits that will accrue to the parties hereto by reason of participation in the Air Force Reserve Officer Training Corps, the parties agree as follows:

PART I - AGREEMENT OF CADET

1. I will enter into and continue military training as an AFROTC cadet under 10 U.S.C. section 2104 and/or section 2107, as applicable, unless relieved of this obligation under the provisions of instructions prescribed by the Secretary of the Air Force.

2. I will remain a full-time student as defined by the academic institution listed above, pursue the degree indicated above at the academic institution listed above, pass the Air Force Officer Qualifying Test (AFOTQT), and complete all AFROTC courses (or have the courses accredited by the Professor of Aerospace Studies (PAS) training. (Including, but not limited to, field training pursuant to 10 USC 2104 or 2107), and leadership laboratory requirements mandated by Air Force Instructional guidance, so that I can graduate and be commissioned in the fiscal year indicated above. Any changes to these requirements must be approved in writing by the PAS at the academic institution listed above before any change is made. Making such changes prior to PAS approval may result in termination, inactivation, or suspension of financial assistance paid for my education by the Air Force (or applicable) or disenrollment from the AFROTC program and a call (or recall) to active duty for the maximum duration permitted by law or recoupment of monies expended on my education to the maximum extent permitted by law. If I am disenrolled, the decision to call (or recall) me to active duty, pursue recoupment of monies expended on my education, or release me from my obligations under this contract is within the sole discretion of the Commander, HQ AFROTC (or designee).

AF1056, 20066831

PREVIOUS EDITIONS ARE OBSOLETE
3. If I am contracting to pursue a degree, but have not yet been accepted into that degree program or particular school of study by the academic institution listed above (e.g., the university’s school of engineering or school of pharmacy), I agree to faithfully pursue that degree by enrolling in classes required to attain that degree. If I am not accepted into that specific degree program or school within the listed academic institution’s prescribed period for acceptance into such field of study or school, any financial assistance the Air Force has agreed to pay pursuant to 10 USC 2107 will be withdrawn and I may be subject to disenrollment from the AFROTC program. If, at the discretion of the Air Force, I am not disenrolled, I will not be relieved of my obligations under this contract.

4. I understand that the Secretary of the Air Force (or designee) may at any time release me without notice from obligations under this contract and separate me from the program without further benefits thereunder, if, in the opinion of the Secretary of the Air Force (or designee), the best interests of the United States require such action.

5. If I am permitted to, and do, transfer to another academic institution, the provisions of this contract will remain in effect if I transfer to another institution at which an Air Force Reserve Officer Training Corps program is offered. I understand that transfer to an institution that does not offer AFROTC does not relieve me from the obligations specified in this contract.

6. If I am already a member of any military component, I will accept discharge for the convenience of the Government and will reenlist in the United States Air Force Reserve (USAFR) for the required period.

7. Acceptance of Appointment. I will accept an appointment as a commissioned officer in the United States Air Force upon completion of AFROTC commissioning requirements, if offered such an appointment by the Air Force. Such an offer is not guaranteed, but is contingent upon a favorable National Agency Check and/or other background inquiry; continued medical, academic, moral, and military qualification as prescribed by law and Air Force instructional guidance; completion of all other AFROTC commissioning requirements, and the needs of the Air Force. I understand that selection as a member of the Professional Officer Course (POC) or payment of financial assistance by the Air Force pursuant to 10 USC 2107 does not bind the United States Air Force to permit my continuation as a cadet or to tender an appointment as a commissioned officer.

8. Basic Military Service Obligation/Active Duty Service Commitment

   a. Enlistment/Basic Military Service Obligation (MSO) - As a prerequisite for membership in the AFROTC program, I will enlist in the USAFR, incurring a basic MSO of eight (8) years from the date of my enlistment, during which time I will be assigned to the Obligated Reserve Section of the IndividualReady Reserve.

   b. Active Duty Service Commitment (ADSC) Upon Receipt of Appointment - Upon receiving my appointment as a commissioned officer, I will incur a four (4) year ADSC from the date I enter onto active duty, unless I am accepted into an Air Force program (such as Undergraduate Pilot or Navigator Training, the Health Professions Program, or other similar program) requiring additional ADSC. In which case my ADSC will be extended as permitted by law and Air Force instructional guidance. This ADSC will run concurrently with my MSO, discussed above. I further understand that, if I complete the commissioning requirements through AFROTC but refuse to accept a commission, I will be subject to a call to active duty in an enlisted status for the maximum period permitted by law.

   c. If the Air Force does not require fulfillment of my ADSC, and, in lieu thereof, I am ordered to active duty for training for a period less than my ADSC, I will remain a member of a Reserve or Air National Guard component until the eighth anniversary of my enlistment.

   d. I understand that only the Secretary of the Air Force (or designee) may excuse me from my obligation to serve on active duty for the period specified in this contract.

   e. I understand that, if I am accepted for resident graduate or professional study prior to commissioning, the Air Force may delay the start of my ADSC based on Air Force requirements.

   f. I understand that if my ADSC expires in time of war or national emergency, I may be involuntarily retained on active duty.

   g. I understand that the actual date of entry on extended active duty will be determined by the Air Force based on Air Force requirements and may involve a delay of up to twelve (12) months from the date of commissioning.

9. Nature of Military Duties/Location of Duties - I understand that extended active duty may involve worldwide assignment or assignment to duties including, but not limited to, those involving combat or nuclear weapons. Acceptance of the terms of this agreement signifies my readiness to bear arms, to engage in or support combat operations, and to engage in or support the use of nuclear weapons. A failure to complete the program or to accept a commission because duty may involve any of the above will constitute breach of contract.

10. Basis for Disenrollment/Result of Disenrollment - Unless otherwise indicated in a specific subparagraph to this paragraph, disenrollment from AFROTC for failure to meet any of the below-listed standards may subject me to a call (or recall) to active duty in enlisted status for the maximum duration permitted by law or to recoupment by the Air Force of funds expended on my education to the maximum extent permitted by law. In the event of my disenrollment, the decision to call (or recall) me to active duty in my enlisted grade, pursue recoupment, or release me from my obligations under this contract is within the sole discretion of the Secretary of the Air Force (or designee). Further, disenrollment from the AFROTC may jeopardize any future opportunity I may have to obtain a commission in any United States Armed Forces.

   a. Requirement to Meet Military, Academic, and Medical Retention Standards - I understand that in order to remain in the AFROTC program, I must meet or exceed all military, academic, and medical retention standards prescribed by law and Air Force instructions. Failure to meet applicable retention standards may result in my disenrollment from the AFROTC program.

   b. Breach of Breach of Contract - I understand that if I breach, or act in a manner that demonstrates an intent to breach, as defined by Air Force instructions, this contract, I will be subject to disenrollment from the AFROTC program.

   c. Demonstrated Indifference to Military Training or Environment - I understand that if I act in a manner that demonstrates an indifference to military training or apathy toward the military environment, I will be subject to disenrollment from the AFROTC program.

   d. Conscientious Objector Status - If at any time I apply for conscientious objector status, I am notified of any obligations under this contract, regardless of the final determination on my application. I specifically understand and agree that if my application for conscientious objector status is approved, I will be required to repay all educational expenses expended on my behalf to maximum extent permitted by law.
a. Homosexual Conduct - I understand that homosexual conduct is grounds for disenrollment from AFROTC. Homosexual conduct defined as a homosexual act, a statement that demonstrates a propensity or intent to engage in homosexual acts, or a homosexual marriage or attempted marriage. A homosexual act includes any bodily contact, actively undertaken or passively permitted, between members of the same sex for the purposes of satisfying sexual desires, or any bodily contact that a reasonable person would understand to demonstrate a propensity or intent to engage in homosexual acts. I further understand that if I, at any time, am disenrolled from the AFROTC program as a result of homosexual conduct, as defined above, I will be required to repay all educational expenses expended on my behalf to the maximum extent permitted by law.

f. Unsatisfactory Completion of Field Training - I understand and agree that failing to achieve a satisfactory or higher rating during my field training encampment may result in my disenrollment from the AFROTC program.

11. Specialized Categories - I understand and agree that, while I may be currently designated for commission in a specialized category, as indicated above specific career field choices and corps specialty designations cannot be guaranteed and will be made according to the needs of the Air Force no earlier than twelve (12) months before commissioning (rated categories are the exception and may be made more than twelve (12) months prior to commissioning). I further understand that, if I am categorized into a specialty that requires physical/medical qualifications above and beyond normal line officer commissioning requirements (e.g., a pilot, navigator or missile candidate) and I become physically/medically disqualified for the category in which I am enrolled, the Secretary of the Air Force retains the right to assign me to a different category, based on the needs of the Air Force.

a. Health Professions Candidates - This category includes, but is not limited to, cadets pursuing pre-health related career fields, nurse corps designees, pharmacy designees, and physician assistant designees.

1) Satisfying Professional Prerequisites to Practice/Result of Failure to Satisfy Such Requirements.

b) I understand that I may be commissioned into the specific health profession corps I am designated to enter upon completion of degree and other commissioning requirements but prior to satisfying any licensing, testing, or board certification requirements for practice in that profession.

c) I understand that, should I fail the licensing, testing, or board certification requirements for practice in my designated profession, I will be required, if on active duty, to retest at the next offering of the professional certification process at no expense to the government.

d) I understand that, if I am to receive financial assistance pursuant to 10 USC 2107 and I enter active duty in my designated health profession specialty prior to evidence of licensure or certification and twice fail the licensing, testing, or board certification requirements for practice in that profession, or if I fail to pursue retest of such professional certification process during the next available offering of the same (and at no expense to the government), I will revert to a line officer and serve on EAD as a line officer for the period specified in paragraph 8.b. above.

e) I understand that, if I do not receive financial assistance pursuant to 10 USC 2107 and I twice fail the licensing, testing, or board certification requirements for practice in that profession, or if I fail to pursue retest of such professional certification process during the next available offering of the same (and at no expense to the government), I will be afforded the option of requesting reversion to a line officer in lieu of mandatory discharge and, if approved, based on the needs of the Air Force, will serve on EAD as a line officer for the period of time specified in paragraph 8.b. above.

2) Members of the Pre-Health Professions Scholarship (PHS) Program - I will apply and gain acceptance to an appropriate Health Professions Schools approved by the Air Force Surgeon General. If I gain acceptance to an approved Health Professions School before completing AFROTC, I will be guaranteed an HPS. Cadets accepted into a Health Professions School must complete degree and commissioning standards prior to enrollment into the Air Force HPS. Cadets accepted into an Air Force HPS Program will retain the ADSC set forth in paragraph 3.b. above. This commitment will run consecutively with (that is, must be served in addition to) any commitment incurred for the HPS Program. In this case, transfer and reappointment to the Medical Service Corps will be effective upon completion of the HPS Program. I will complete the AFROTC program and am commissioned before acceptance to a Health Professions School. I will be called to perform active duty as a Line of the Air Force Reserve Officer and must apply for and compete for the Armed Forces HPS Program.

3) Educational Delay for Pursuant of Advanced Degree in Training in Health Profession (other than pre-HPS members) - I understand that, if, pursuant to Air Force instructional guidance, I apply for and am granted a delay to my projected date of entry into active duty to pursue an advanced degree in training in a health profession, my ADSC will not start until I actually enter active duty.

4) Additional ADSC Resulting from Award of HPS (other than pre-HPS members) - I apply for and am accepted into the HPS Program. I will incur an additional ADSC as a result of participation in the program. I understand and agree that any such ADSC will run consecutively with (that is, must be served in addition to) my basic ADSC set forth in paragraph 8.b. above. Periods of attendance at civilian training programs or schools will not count toward fulfilling my ADSC.

b. Rated Candidates

1) Prerequisites to Active Duty Formal Rated Training - I will participate in and faithfully pursue to completion any required course of orientation screening and training leading to an aeronautical rating in the United States Air Force. I understand that failure to complete such course may result in my removal from consideration for aeronautical training, but that such removal will not relieve me from my ADSC, as set forth in paragraph 6.b. above

2) Active Duty Service Commitment (ADSC) Resulting from Pilot Training - If I am a pilot candidate, I agree to accept orders to Undergraduate Pilot Training (UPT) if offered such by the Air Force. At the successful completion of the requirements for an aeronautical rating, I will incur an ADSC of ten (10) years from date of award of the rating. I understand that this ADSC will run concurrently with any remaining portion of my ADSC incurred as a result of receiving my initial appointment as a commissioned officer (as set forth in paragraph 8.b. above).

3) Active Duty Service Commitment (ADSC) Resulting from Navigator Training - If I am a navigator candidate, I agree to accept orders to Undergraduate Navigator Training (UNT) if offered such by the Air Force. At the successful completion of the requirements for an aeronautical rating, I will incur an ADSC of six (6) years from date of award of the rating. I understand that this ADSC will run concurrently with any remaining portion of my ADSC incurred as a result of receiving my initial appointment as a commissioned officer (as set forth in paragraph 8.b. above).
4) Active Duty Service Commitment (ADSC) Resulting from Air Battle Manager (ABM) Training - If I am an ABM candidate, I agree to accept orders to Air Battle Manager Undergraduate Training if offered such by the Air Force. At the successful completion of the requirements for an aeronautical rating, I will incur an ADSC of six (6) years from the date of award of the rating. I understand that this ADSC will run concurrently with any remaining portion of my ADSC incurred as a result of receiving my initial appointment as a commissioned officer (as set forth in paragraph 8.b above).

5) Result of removal from UPT, UNT, or ABM Training - If I am removed from UPT, UNT, or ABM training for whatever reason, I understand that I will not be relieved of my ADSC, as set forth in paragraph 8.b above. I understand and agree that I will serve the ADSC in a non-rated position, as the needs of the Air Force dictate. In addition, I will incur an ADSC for elimination from training in accordance with Air Force instructions.

c. Graduate Law Program (GLP) Candidates

1) If I am selected for the GLP, I agree to satisfactorily complete the program. I understand that to satisfactorily complete the GLP I must:
   (a) Receive a Juris Doctor or comparable degree from a law school at an American Bar Association (ABA) accredited institution on or before the commissioning date indicated above.
   (b) Be admitted to practice before the highest court of a state or a federal court as soon as eligible but not later than the first date on which admission is possible after the second bar examination given subsequent to graduation. (Will be allowed to take the immediate next bar examination in the same jurisdiction where the first bar examination is taken in the event I do not pass the first bar examination following receipt of my Juris Doctor degree or comparable degree).

2) If I am selected for the GLP, I understand and agree that failure to receive a Juris Doctor or comparable degree as indicated in the preceding paragraph prior to my commissioning date set forth above may result in recall to extended active duty (EAD) in the Air Force in a career field other than the Judge Advocate General Department and as a second lieutenant. A career field will be assigned according to the needs of the Air Force. In that event, my ADSC will be as set forth in paragraph 8.b above.

3) Subject to paragraph 11.c. below, if I successfully complete the GLP, I will be assigned as a Judge Advocate (JA) and called to EAD in the JA career field. My grade will be determined by the laws and regulations in effect at the time of call to EAD.

4) If I successfully complete the GLP and the Air Force is unable to utilize me as an active duty JA, I will not be called to EAD but will be called to active duty training for a period of ninety (90) days, then released from active duty and assigned to a Reserve organization. If not called to EAD as a JA, I may request EAD as a line officer (LOS) through AFROTC channels, if desired. Such a request must be made according to applicable instructions and approval will be contingent on the needs of the Air Force.

12. Enlisted Commissioning Program (ECP) Participant - I understand that if I am pursuing a commission through any of the Air Force's ECPs (including but not limited to, the Airman Scholarship and Commissioning Program (ASCOP), POE Early Release Program (POE-ERP) or Scholarship for Outstanding Airman to ROTC (SOART)) and my scholarship is terminated or I am removed from the program for any reason, I will not be relieved of my obligations to AFROTC or of my service commitment to the Air Force. Further, at the discretion of the Commander, AFROTC, I may be required to continue training in the AFROTC program, be disenrolled from AFROTC, or either be recalled to active duty in an enlisted status for the maximum duration permitted by law or be required to reenlist the United States for all monies expended on my education to the maximum extent permitted by law. In this event, the decision to call (or recall) me to active duty, pursuit recoupment of monies expended on my education, or release me from my obligations under this contract is within the sole discretion of the Commander, AFROTC, or his or her designee.

13. Cadets Receiving Financial Assistance Pursuant to 10 USC 2107

a. I understand that I must remain in active scholarship status until the 45th day after the start of each academic year in order for the Government to be liable for the costs of my tuition and any other fees under this contract. However, the provisions of this contract will remain in effect if I fail to remain in active scholarship status until the 45th day and I will be liable for the costs of my tuition and any other fees due the institution.

b. If I fail to complete the education and training requirements specified or referenced in this contract or if I fail to fulfill any term or condition prescribed by the Secretary of the Air Force (SAF) to protect the interest of the United States, the SAF (or designee) may order me to reimburse the United States for financial assistance expended on my behalf pursuant to 10 USC 2107 without first ordering me to active duty. I understand that the option to order me to active duty or to order me to reimburse the United States for financial assistance paid pursuant to 10 USC 2107 is solely at the discretion of the SAF (or designee) and is not my option.

c. In order to retain my scholarship, I must maintain or exceed the academic and military retention standards prescribed by law and instruction for scholarship retention. I understand that academic retention standards for scholarship retention may be more stringent than retention standards required to remain in the AFROTC program in general.

d. If my scholarship is temporarily inactivated, suspended, or terminated due to my failure to maintain standards prescribed by law and Air Force or AFROTC instruction, I will not be relieved of my obligations to AFROTC and my service commitment to the Air Force, and the provisions of this contract will remain in effect.

e. If the financial assistance to be paid by the Air Force under the terms of this contract does not cover the entire cost of attending the academic institution listed above, I am responsible for the costs above and beyond the financial assistance the Air Force is agreeing to pay. I understand that any subsequent inability to attend the academic institution listed above based upon financial considerations will not relieve me from the terms of this contract.

f. If I request, and AFROTC grants written approval for me to change my major, and the change makes me ineligible to remain on scholarship status, I will not be relieved of my obligations to AFROTC and the Air Force and the provisions of this contract will remain in effect.

g. First-Year (Freshman) Option

1) I understand that the commitment point after which I may not withdraw or be withdrawn from the program without penalty is the first day of Aerospace Science class of my sophomore year (AS 200). My enrollment in the sophomore year of aerospace science and my attendance at this Aerospace Science class signifies my understanding and agreement that, if I subsequently fail to complete the commissioning requirements specified in this agreement and am disenrolled from the AFROTC program this may subject me to a call (or recall) to active duty in enlisted status for the maximum duration permitted by law or to recoupment by the Air Force of funds expended on my education to the maximum extent permitted by law. In the event of my disenrollment, the decision to call (or recall) me to active duty shall be in accordance with the policies and procedures of the Air Force.

Further, disenrollment from AFROTC may jeopardize any future opportunity and I may have to obtain a commission in any United States Armed Forces.
2) I understand that this provision does not apply to me if I am a scholarship student who was active duty enlisted when selected for an AFROTC scholarship and was separated early for accepting the scholarship and am being discharged during my freshman year. In that case, I shall have an active duty service commitment equivalent to the time not served on my original enlistment contract when I was separated to accept the AFROTC scholarship. If I am discharged as a freshman student with less than one (1) year remaining on my original enlistment contract when separated to accept the AFROTC scholarship, I will be discharged. If discharged, the Air Force will provide me with the opportunity to enlist. If qualified, for a minimum of four (4) years.

h. I understand that once I enter the Professional Officer Course (POC) I will continue training as a POC cadet at the discretion of the Commander, AFROTC, should my scholarship be terminated.

i. I understand that if I voluntarily, or because of misconduct, or other circumstances within my control, fail to complete the period of active duty specified in this contract, either as an officer or in enlisted status, I will reimburse the United States in an amount that bears the same ratio to the total cost of advanced education provided to me as the unused portion of active duty bears to the total period of active duty I agreed to serve. Misconduct separation may be initiated by the Air Force in accordance with its governing directives for substandard duty performance, unacceptable conduct, moral or professional dereliction, or in the interest of national security. This includes sentence by court-martial or separation in lieu of trial by court-martial.

j. I understand that if I am directed to reimburse the United States under this contract for financial assistance provided to me pursuant to 10 USC 2107, my indebtedness to the United States under this agreement shall bear interest at the rate equal to the highest rate being paid by the United States on the day on which the reimbursement is determined to be due for securities having maturities of ninety (90) days or less and shall accrue from the day on which I am first notified of the amount due to the United States as a reimbursement under this contract.

k. I understand that a discharge in bankruptcy under Title 11, United States Code, if less than five (5) years after the last day of the specified period of active duty, will not release me from my obligation to reimburse the United States as provided in this contract.

I. If I activate my scholarship during any term prior to my entry into the Professional Officer Course (POC), I understand and agree that I must subsequently compete for entry into the POC. If I am not selected for entry into the POC, I understand that I may be discharged from the AFROTC program.

m. If I activate a 4-year non-technical scholarship (as I have converted this 4-year scholarship offer to a 3-year scholarship), I understand that I must complete the minimum of four semesters of language training contingent upon the availability of language programs at host or associate campuses. I further understand that if I do not complete this requirement prior to the first day of my final year of the AFROTC classes, I may be discharged from the AFROTC program.

n. If I activate a 4-year scholarship, I understand that I may be required to complete a training program at an Air Force installation during the summer between my freshman and sophomore years in college. I further understand that if I am selected to attend this training program and I fail to do so or I fail to complete the program in a satisfactory manner, I may be discharged from the AFROTC program.

14. Non-native Speakers of English - I understand that failure to successfully meet the below-stated English proficiency requirements will have the same effect as the failure to meet any other condition of the contract and will result in disenrollment from the AFROTC program and will make the cadet ineligible for a Reserve commission through the AFROTC program. The English text will govern all disputes arising out of and under the terms of this contract.

a. Pre-POC Entry Requirements - I must take and pass the Defense Language Institute (DLI) English Comprehension Level (ECL) examination and demonstrate to interviewers from the DLI a competency comprehending and speaking English as prescribed by Air Force and Air Force ROTC instructional guidance.

b. Pre-Commissioning Requirements - Not later than ninety (90) days prior to commissioning, I must take and pass the ECL test with a minimum score of 90. Also, not later than ninety (90) days prior to commissioning, I must demonstrate to interviewers from the DLI a competency comprehending and speaking English as prescribed by Air Force and Air Force ROTC instructional guidance.

15. Previously Disenrolled Cadets Reentering AFROTC - I understand that my reentry into AFROTC, including the signing of a new AFROTC contract, does not relieve me of my obligation to repay any financial assistance I previously received pursuant to Title 10, United States Code, Section 2107. I further understand that, if I successfully complete all commissioning requirements, receive an appointment as an Air Force officer, and complete in its entirety my active duty service commitment as described in paragraph 6, above, I will be relieved of my obligation to repay any financial assistance I received pursuant to Title 10, United States Code, Section 2107, whether that financial assistance was provided pursuant to this contract or during a previous period when I had a contract with AFROTC.

PART II - AGREEMENT OF AIR FORCE

The Department of the Air Force agrees:

1. I agree to pay a subsistence allowance at the rate and for the period prescribed by law and Air Force instruction; however, such period will not exceed forty (40) months for a maximum of four (4) academic years (or fifty (50) months and five (5) academic years for those cadets enrolled in a 3-year academic program approved by the Secretary of the Air Force) while the cadet is a member of the AFROTC program. Payments will commence on the day the cadet starts instruction under 10 USC 2104 or 10 USC 2107 (whichever applies) and will end upon completion of instruction thereunder or upon termination of membership, whichever occurs first.

2. To pay the cadet, at the rate prescribed for cadets at the United States Air Force Academy, while he or she is traveling to or from or participating in field training under 10 USC 2104(b)(6) or other practical military training as defined in AFROTC instructional guidance which lasts not less than six (6) consecutive calendar days.

3. To ensure that an AFROTC program is available at the academic institution listed above or at an academic institution with which the institution listed above has a cross-town or consortium agreement such that the cadet may receive training to qualify for a commission in the United States Air Force, if such an appointment is offered by the Air Force.
4. For cadet receiving financial assistance pursuant to 10 USC 2107 - To pay the cadet a
(list type of scholarship or incentive), as defined in the applicable AFROTC instruction in effect on the date the cadet signs this contract, provided funds are
appropriated by Congress for this purpose, and provided the cadet maintains all retention standards specified in this agreement and remains enrolled
in the AFROTC program. The Air Force's obligation to pay scholarship monies will not occur unless the cadet is in active scholarship status 45 days after the
start of each academic year. In such case, payment of scholarship monies will be retroactive to the beginning of the term. For those cadets activating a
scholarship after the 45th day of an academic term, payment will also be retroactive to the beginning of the term. Payment of scholarship monies for
subsequent academic years is conditioned upon funds being appropriated by Congress. This contract shall not obligate the Air Force to pay for anything other
than the cost of tuition and any other fees due as authorized by federal statute.

PART III

MODIFICATIONS - With the advance approval of both parties, this contract may be modified regarding academic major, transfer of academic institution, type of
financial assistance being offered by the Air Force, type of officer categorization, date of completion of academic degree, or fiscal year of commissioning by
indicating those changes on the attached "Changes Page". Changes to retention standards or training requirements are not modifications of the contract and
will apply to the cadet upon publication in an Air Force or AFROTC instruction. As indicated in the terms of this contract, the Air Force reserves the right to
inactivate, suspend, or terminate this contract if the cadet fails to maintain retention standards or takes an approved leave of absence from the AFROTC
program. Such an action on the part of the Air Force is not a modification to the contract, it is an exercise by the Air Force of its rights under the contract. As
such, contract inactivation, suspension, or termination does not require the consent of the cadet.

I have read, completely understand, and agree without reservation to the provisions of this contract.

B. AGREEMENTS

8. I am enlisting/reenlisting in the United States (list branch of service) this date for _________ years and _________ weeks beginning in pay grade _________ of which _________ years and _________ weeks will be served in the Reserve Component of the Service in which I have enlisted. If this is an initial enlistment, I must serve a total of eight (8) years, unless I am sooner discharged or otherwise extended by the appropriate authority. This eight year service requirement is called the Military Service Obligation. The additional details of my enlistment/reenlistment are in Section C and Annex(es) (list name of Annex(es) and describe)

a. FOR ENLISTMENT IN A DELAYED ENTRY/ENLISTMENT PROGRAM (DEP):
I understand that I am joining the DEP. I understand that by joining the DEP I am enlisting in the Ready Reserve component of the United States (list branch of service) for a period not to exceed 365 days, unless this period of time is otherwise extended by the Secretary concerned. While in the DEP, I understand that I am in a nonpay status and that I am not entitled to any benefits or privileges as a member of the Ready Reserve, to include, but not limited to medical care, liability insurance, death benefits, education benefits, or disability retirement pay if I incur a physical disability. I understand that the period of time while I am in the DEP is NOT creditable for pay purposes upon entry into a pay status. However, I also understand that the period of time while I am in the DEP is counted toward fulfillment of my military service obligation described in paragraph 10, below. While in the DEP, I understand that I must maintain my current qualifications and keep my recruiter informed of any changes in my physical or dependency status, qualifications, and mailing address. I understand that I WILL be ordered to active duty unless I report to the place shown in item 4 above by (list date YYYYMMDD)
for enlistment in the Regular component of the United States (list branch of service) for not less than _________ years and _________ weeks.

b. REMARKS (If none, so state)

The agreements in this section and attached annex(es) are all the promises made to me by the Government. ANYTHING ELSE ANYONE HAS PROMISED ME IS NOT VALID AND WILL NOT BE HONORED.

(Continued on Page 2)
C. PARTIAL STATEMENT OF EXISTING UNITED STATES LAWS

9. FOR ALL ENLISTEES OR REENLISTEES:
I understand that many laws, regulations, and military customs will govern my conduct and require me to do things under this agreement that a civilian does not have to do. I also understand that various laws, some of which are listed in this agreement, directly affect this enlistment/re-enlistment agreement. Some examples of how existing laws may affect this agreement are explained in paragraphs 10 and 11. I understand that I cannot change these laws but that Congress may change these laws, or pass new laws, at any time that may affect this agreement, and that I will be subject to these laws and any changes they make to this agreement. I further understand that:

a. My enlistment/re-enlistment agreement is more than an employment agreement. It affects a change in status from civilian to military member of the Armed Forces. As a member of the Armed Forces of the United States, I will be:

(1) Required to obey all lawful orders and perform all assigned duties.

(2) Subject to separation during or at the end of my enlistment. If my behavior fails to meet acceptable military standards, I may be discharged and given a certificate for less than honorable service, which may hurt my future job opportunities and my claim for veteran's benefits.

(3) Subject to the military justice system, which means, among other things, that I may be tried by military courts-martial.

(4) Required upon order to serve in combat or other hazardous situations.

(5) Entitled to receive pay, allowances, and other benefits as provided by law and regulation.

b. Laws and regulations that govern military personnel may change without notice to me. Such changes may affect my status, pay, allowances, benefits, and responsibilities as a member of the Armed Forces REGARDLESS of the provisions of this enlistment/re-enlistment document.

10. MILITARY SERVICE OBLIGATION. SERVICE ON ACTIVE DUTY AND STOP-LOSSES FOR ALL MEMBERS OF THE ACTIVE AND RESERVE COMPONENTS, INCLUDING THE NATIONAL GUARD.

a. FOR ALL ENLISTEES: If this is my initial enlistment, I must serve a total of eight (8) years, unless I am sooner discharged or otherwise extended by the appropriate authority. This eight year service requirement is called the Military Service Obligation. Any part of this service not served on active duty must be served in the Reserve Component of the service in which I have enlisted. If this is a re-enlistment, I must serve the number of years specified in this agreement, unless I am sooner discharged or otherwise extended by the appropriate authority. Some laws that affect when I may be ordered to serve on active duty, the length of my service on active duty, and the length of my service in the Reserve Component, even beyond the eight years of my Military Service Obligation, are discussed in the following paragraphs.

b. I understand that I can be ordered to active duty at any time while I am a member of the DEP. In a time of war, my enlistment may be extended without my consent for the duration of the war and for six months after its end (10 U.S.C. 506, 1203(c)).

c. As a member of a Reserve Component of an Armed Force, in time of war or of national emergency declared by the Congress, I may, without my consent, be ordered to serve on active duty, for the entire period of the war or emergency and for six (6) months after its end (10 U.S.C. 12301(a)). My enlistment may be extended during this period without my consent (10 U.S.C. 12103(c)).

d. As a member of the Ready Reserve (to include Delayed Entry Program), in time of national emergency declared by the President, I may, without my consent, be ordered to serve on active duty, and my military service may be extended without my consent, for not more than 24 consecutive months (10 U.S.C. 12302). My enlistment may be extended during this period without my consent (see paragraph 10(g)).

e. As a member of the Ready Reserve, I may, at any time and without my consent, be ordered to active duty to complete a total of 24 months of active duty, and my enlistment may be extended so I can complete the total of 24 months of active duty, if:

(1) I am not assigned to, or participating unsatisfactorily in, a unit of the Ready Reserve; and

(2) I have not met my Reserve obligation; and

(3) I have not served on active duty for a total of 24 months (10 U.S.C. 12303).

f. As a member of the Selected Reserve or as a member of the Individual Ready Reserve mobilization category, when the President determines that it is necessary to augment the active forces for any operational mission or for certain emergencies, I may, without my consent, be ordered to active duty for not more than 365 days (10 U.S.C. 12304). My enlistment may be extended during this period without my consent (see paragraph 10(g)).

g. During any period members of a Reserve component are serving on active duty pursuant to an order to active duty under authority of 10 U.S.C. 12301, 12302, or 12304, the President may suspend any provision of law relating to my promotion, retirement, or separation from the Armed Forces if he or his designee determines I am essential to the national security of the United States. Such an action may result in an extension, without my consent, of the length of service specified in this agreement. Such an extension is often called a "stop-loss" extension (10 U.S.C. 12305).

h. I, may, without my consent, be ordered to perform additional active duty training for not more than 45 days if I have not fulfilled my military service obligation and fail in any year to perform the required training duty satisfactorily. If the failure occurs during the last year of my required membership in the Ready Reserve, my enlistment may be extended until I perform that additional duty, but not for more than six months (10 U.S.C. 10148).

11. FOR ENLISTEES/REENLISTEES IN THE NAVY, MARINE CORPS, OR COAST GUARD: I understand that if I am serving on a naval vessel in foreign waters, and my enlistment expires, I will be returned to the United States for discharge as soon as possible consistent with my desires. However, if essential to the public interest, I understand that I may be retained on active duty until the vessel returns to the United States. If I am retained under these circumstances, I understand I will be discharged not later than 30 days after my return to the United States; and, that except in time of war, I will be entitled to an increase in basic pay of 25 percent from the date my enlistment expires to the date of my discharge.

12. FOR ALL MALE APPLICANTS: Completion of this form constitutes registration with the Selective Service System in accordance with the Military Selective Service Act. Incident thereto the Department of Defense may transmit my name, permanent address, military address, Social Security Number, and birthdate to the Selective Service System for recording as evidence of the registration.
**D. CERTIFICATION AND ACCEPTANCE**

13a. My acceptance for enlistment is based on the information I have given in my application for enlistment. If any of that information is false or incorrect, this enlistment may be voided or terminated administratively by the Government or I may be tried by a Federal, civilian, or military court and, if found guilty, may be punished.

I certify that I have carefully read this document, including the partial statement of existing United States laws in Section C and how they may affect this agreement. Any questions I had were explained to my satisfaction. I fully understand that only those agreements in Section B and Section C of this document or recorded on the attached annex(es) will be honored. I also understand that any other promises or guarantees made to me are not set forth in Section B or the attached annex(es) are not effective and will not be honored.

Preenlistment Briefing
IAW AFOATS 36-2011 Attachment 2

1. I, [Name], certify that I have been counseled on the following items of the Pre-Enlistment Briefing, and acknowledge understanding by initialing each item.

GENERAL INFORMATION AND STEP-BY-STEP BRIEFING:

_______ 1) Report to this detachment any changes in personal data that occur after completion of enlistment forms/IMTs or during membership. (For example, change of name, address, telephone number, marital status, number of dependents, etc.)

_______ 2) Report any changes in medical status. (For example, pregnancy, change in eyesight, any serious illness or injury, any operation, etc.)

_______ 3) I understand dress, appearance and grooming standards must be maintained. Weight or BMI must be maintained within prescribed limits for continued membership. In addition, I must pass the physical fitness assessment each term.

_______ 4) I am expected to attend all classroom and Leadership Lab sessions, unexcused absences may result in disenrollment.

_______ 5) Unit policies, procedures, and cadet responsibilities are outlined in the detachment operating instructions. These are available to you upon request.

_______ 6) Professional Officer Course (POC)/College Scholarship Program (CSP) membership does not confer military status upon cadets. Although I am enlisted in the Obligated Reserve Section (ORS), I am regarded as a civilian under the military justice system, so long as I retain my cadet status, and as such, am not subject to the provisions of the Uniform Code of Military Justice (UCMJ). (NOTE: if involuntarily called to extended active duty (EAD) in my enlisted grade for breach of contract, no new oath will be given. HQ AFPC will publish orders calling the cadet to EAD. At this point, the cadet becomes subject to the UCMJ based on the original oath of enlistment into the ORS)

_______ 7) There is no guarantee of approval of an educational or administrative delay following commissioning to permit an AFROTC graduate to pursue graduate study.

_______ 8) No guarantee can be made as to my active duty career field unless I am a nurse, pre-health, or Graduate Law Program (GLP) selectee. Pilots and Navigators will attend flying school. In all other assignments, the needs of the service and my academic discipline will determine my utilization. My academic discipline is considered in making assignments, but does not guarantee a career field that will specifically utilize the degree.

_______ 9) If I possess a graduate degree when commissioned, with the exception of the GLP, I am not guaranteed an assignment in or related to my academic discipline.
10) If I will study law following commissioning on an educational delay, I must complete a statement indicating I understand that completion of licensing requirements in no way constitutes a guarantee of assignment to judge advocate duties.

11) Should it be discovered that I was not qualified for membership and/or was erroneously enlisted, I will be disenrolled from AFROTC and discharged from the AF Reserve unless the condition has been corrected or a waiver can be obtained.

12) If it is discovered that I willfully falsified or concealed information that may have disqualified me from membership and it is determined that I fraudulently enlisted, I could be subject to civil legal action resulting in a fine of $10,000 or imprisonment of not more than five years, or both, under Title 18, U.S.C. Amended, Section 1001.

13) While participating in Field Training and enroute to and returning from Field Training, or while engaged in a flight or in a flight instruction as a part of the AFROTC program, I may be covered by programs that provide medical treatment and disability and death benefits. The circumstances of each individual case will determine the type and extent of coverage.

14) My future AF duties may involve worldwide assignment, combat duty, remote tours, or association with nuclear weapon systems regardless of dependency status (i.e., married to civilian, unmarried with children, etc.). I am aware and clearly understand this commitment.

15) My total performance as a cadet and student will be evaluated in determining consideration for AFROTC Distinguished

RETENTION STANDARDS

1) If I fail to maintain the standards prescribed for AFROTC membership (academic standing, character, discipline, medical, etc.) I am subject to the following, unless a waiver of the deficiency is approved by the appropriate authority.

(a) Conditional Event: This is provided to a student on contract when a deficiency prevents them from meeting prescribed eligibility or retention standards. A deficiency requiring a fourth conditional will normally result in disenrollment unless the additional conditional is approved by AFROTC.

(b) Scholarship cadets who fail to maintain retention standards may have their scholarship terminated, suspended (not paid) for a term or more, or may be given a conditional depending upon the severity of their deficiency according to AFROTCI 36-2019. If the scholarship of a POC cadet is terminated, the cadet may be retained on contract provided the cadet maintains retention standards required for POC membership.

2) If I am disenrolled, I sever membership in AFROTC and may be discharged from the ORS. However, if disenrolled for reasons stated in Part I Paragraph 10, of the AF IMT 1056, I am subject to involuntary call to active duty in my enlisted grade or subject to recoupment of CSP funds. For each cadet disenrolled, a DD Form 785, Record of Disenrollment from Officer Candidate – Type Training, will be prepared containing a recommendation for or against future officer training. Once prepared, the DD Form 785 becomes a permanent record retained by the Air Force.
3) Enlisted Commissioning Program cadets. If I am selected for an AFROTC scholarship under provisions of AFI 36-1013, Officer Training Schools (OTS) and Airman Commissioning Programs, and I am separated early from active duty to accept an AFROTC scholarship and if my scholarship is terminated for any reason, I will not be relieved of my Air Force or AFROTC obligations. Upon scholarship termination, program continuation is at the discretion of HQ AFROTC. If disenrolled as a freshman, my service commitment will be equivalent to the time not served on original enlistment contract when separated to accept an AFROTC scholarship. If my service commitment is less than one (1) year at the time of release to enter AFROTC, I will be discharged and will not be called to EAD unless requested by me through HQ AFROTC. If I am disenrolled after my freshman year, I may either return to active duty in an enlisted status for a period of two (2) years or may be subject to recoupment of scholarship monies expended. If selected for an EA into the POC under the provisions of AFI 36-2013 and am separated early from active duty to accept an allocation; and then later disenrolled, I may be returned to active duty in an enlisted status for a period of two (2) years.

ACADEMIC REQUIREMENTS

1) I understand I am expected to maintain the following academic standards: (Failure to do so could result in conditional event, scholarship suspension, scholarship termination, or disenrollment.)

2) I must be enrolled and maintain full time student status.

3) I must meet the institutions prescribed standard for good standing (i.e. 2.5 term Grade Point Average (GPA) progress toward meeting graduation requirements.

4) I must not receive one or more final grades of “F” or its equivalent during a term

5) I must complete each aerospace studies course with a grade of “C” or better and receive a passing grade in all LLAB courses.

RECERTIFICATION REQUIREMENTS

1) AFOATS Fm 48, Planned Academic Program. At the beginning of each fall term, I must have my academic advisor review my academic program and progress toward my degree. In addition, each I must have my AFROTC instructor review my academic progress using my AFTOTC IMT 48. I will sign this IMT and be primarily responsible for its accuracy.

2) AFOATS Fm 35, Certification of Involvements. I am required to report each involvement regardless of seeming insignificance to my AFROTC detachment. Unless and exception is prescribed, the involvement is recorded on my AFROTC IMT 35 and I am evaluated for continued membership. Excessive or serious involvements can result in disenrollment. If a National Agency Check or other source reveals an involvement was not reported, I am subject to disenrollment. Involvements must be reported within 72 hours of the occurrence when school is in session on within 72 hours after return to school from a vacation period, FTO or other absence from campus.
SCHOLARSHIP RESTRICTIONS

1) Monetary. Scholarship money may not be used to defray the costs of the programs/services listed below:

   a) Secretarial and legal training (The Defense Appropriations Act restricts payments of tuition and fees for this type of training)

   b) Course overloads resulting from courses not required for a degree or those resulting from failures, incompletes, withdrawals, etc., or changes in academic majors and inter-institutional transfers made at the discretion of the individual. Exceptions to this policy are:

   1. Overloads required as a result of changes in curriculum made by the institution subsequent to the approval of a degree plan.

   2. Institutional transfers for the purpose of initial scholarship activation

   3. Scholarship continuation resulting from unit inactivation

   4. Those courses required to be completed because of injury or illnesses which prevent a cadet from completing scheduled courses, provided the reason for the absence was approved by institutional authorities and the unit commander.

   5. Flying courses, even if completion of these courses is a specified degree requirement

   6. Remedial courses or repeated courses taken to make up a deficiency.

   7. Correspondence or other nonresident courses unless approved by HQ AFROTC/RRUC.

   8. Penalties or fines for late registration or make up exams over and above would have been incurred through normal enrollment at CSP member’s host institution.

GENERAL (FOR SCHOLARSHIP CADETS ONLY)

1) Scholarship selection was based upon my status at the time of nomination and subsequent changes may jeopardize my scholarship and/or continuance in AFROTC.

2) As a scholarship holder I must receive permission from HQ AFROTC/RRUC to transfer to another school.

3) I understand I must consult with AFROTC detachment staff before changing academic majors. Failure to receive permission to change major constitutes a breach of contract.

4) As a scholarship holder I understand I am not granted approval to compress my undergraduate studies in order to extend scholarship benefits into graduate school.

5) As a CSP student I must be administered the Air Force Officer Qualification Test (AFOQT) during the fall term and meet AFOQT criteria prior to the start of my AS 200 year. I
must take the AFOQT during the first term in order to retest in the second term if necessary. Failure to qualify on the AFOQT will result in scholarship withdrawal.

6) If I am a scholarship recipient, I must be accepted by the appropriate department in my scholarship academic major as soon as my college allows me to declare an academic major and/or be accepted by my department.

7) Even though I have been awarded a 4 or 3-year scholarship, I am not guaranteed an EA in the POC, and will compete along with other applicants for each EA.

8) I must successfully complete applicable scholarship requirements in AFROTC 36-2019.

AF FORM 1056, AFROTC CONTRACT

1) I understand the AF IMT 1056 is the basic document governing membership in the AFROTC program. It becomes effective the date of my enlistment in the ORS. It prescribes the terms of the membership and the obligations contracted by both the Air Force and me.

2) I will enlist in the ORS. The time spent in the ORS is not creditable towards my active duty pay, active duty military retirement, longevity, etc., once commissioned. All AFROTC graduates are appointed as Reserve officers and must receive a baccalaureate (or higher) degree. In addition, distinct AFTOTC commissioning requirements can be imposed in addition to normal host academic institution degree requirements.

3) Freshman scholarship recipients incur an active duty service commitment effective the first day of attendance at AS classes of Leadership Lab in their sophomore year.

ENLISTMENT CONTRACT:

1) Enlistment in the ORS for 8 years is a prerequisite for POC membership and or scholarship activation. The DD Form 4 is used for this purpose. This enlistment contract is canceled when a cadet is commissioned or disenrolled form AFROTC without call to active duty as an Airman. If you violate the AF IMT 1056, you may be involuntarily called to active duty in your enlisted grade for a period of time specified on the AF IMT 1056, or in the case of ASCP, SOAR, and POC-ERP cadets, for the prior of time specified on your enlistment contract when you were separated from active duty:

   (a) Two years as a POC non-scholarship member or POC CSP member who has not completed the entire FROTC course of instruction

   (b) Four years, if a POC or CSP member who has completed the entire AFROTC course of instruction, but declined to accept a commission when offered

2) If you are called to active duty in your enlisted grade as explained above, the time spent in the ORS as a member of AFROTC counts towards fulfilling the requirements of the 8-year military service obligation (MSO) enlistment.

SERVICE COMMITMENTS:
1) All officers commissioned through the AFROTC program incur an 8-year service commitment (reference AF IMT 1056 and AFROTCI 36-2013 for categorized officers)

FEDERAL MILITARY DRAFT REQUIREMENTS:

1) Federal Military Draft Requirements. (MALES ONLY) Draft-eligible applicants must register with the Selective Service within 6 months after turning 18 to remain eligible for ORS.

2) Selective Service Act (50 USC App 453) states that “any person who has been or may hereafter be selected for enrollment or continuance in the senior division, Air Force Reserve Officer Training Corps...shall not be exempt from registration.”

3) I understand that failure to register could lead to criminal prosecution and subsequently to disenrollment from AFROTC

COUNSELING ON DEPENDENT CARE RESPONSIBILITES

1) Reference AFI 36-2908. All present and potential members must know/learn the Air Force policy on the relationship between dependent care responsibilities and the accomplishment of military duties and obligations. I will acknowledge this requirement by signing the AF IMT 3010 and statement of understanding prescribed in AFROTC 36-2011.

VETERANS' EDUCATIONAL ASSISTANCE ACT OF 1984 (GI BILL):

1) Veteran’s educational Assistance Act of 1984 (GI BILL). For those individuals coming on active duty 1 July 1985 or later, entry in the new GI Bill program is automatic. Accounting and Finance will initiate a $100 a month allotment for 12 months unless the individual formally declines the new GI Bill. Once the allotment has started, it cannot be stopped. The declination must occur within 14 days of the individual’s active duty date. AFROTC scholarship graduates are INELIGIBLE for the new GI Bill. The Office of the Secretary of Defense (OSD) directs that any AFROTC commissionee who graduates or completes AS400 while on scholarship, or has used all scholarship entitlements at the time of graduation, is an “AFROTC scholarship graduate” and is, therefore, ineligible for the new GI Bill. This includes any length of scholarship and not just 4-year recipients. Cadets are eligible for the GI BILL if either they receive $3,400 or less in scholarship benefits in one year or they receive no scholarship monies their last term of AS400. Prior active duty service cadets are not eligible regardless of the above conditions since the already had their one-time opportunity to contribute when they initially enlisted.

HIGH SCHOOL SCHOLARSHIP PROGRAM
FRESHMAN REVIEW STATEMENT OF UNDERSTANDING

FOUR-YEAR SCHOLARSHIP SELECTEES (4YR HSSP). I understand I must be enrolled as a full-
time student each term, be enrolled and participating in AFROTC courses and Leadership Laboratory
each term. I understand I must achieve a TGPA of 2.5 or higher during all terms while I am
contracted. If I do not, my scholarship eligibility may be impacted. If I am disenrolled from AFROTC
as an AS100 cadet, I will not be subject to recoupment of scholarship funding or call to active duty. I
have been counseled by an AFROTC representative on the scholarship activation and retention standards
prescribed in AFROTC instructions and I understand the activation and retention standards. Even if I
achieve GPA standards and my detachment commander does not feel my performance warrants
scholarship retention, I understand my scholarship can be terminated immediately. I may, at the
discretion of my detachment commander, continue in AFROTC on a non-scholarship basis.

THREE-YEAR SELECTEES (3YR HSSP). I understand that I must be enrolled as a full-time student
through the entire freshman year at the school where I will activate my scholarship and be enrolled in
and attending AFROTC classes and Leadership Laboratory each term and have a CGPA of 2.5 or
higher by the end of spring term of my freshman year to activate my scholarship in the fall of my
sophomore year. I understand I must achieve a TGPA of 2.5 or higher during all terms while I am
contracted. I have been counseled by an AFROTC representative on the scholarship activation, fitness
and retention standards prescribed in AFROTC instructions. I understand the activation, and retention
standards and that I must pass the PFA during the spring term of my freshman year. If I fail to meet any
of these standards, my scholarship offer will be withdrawn. Even if I achieve these standards and my
detachment commander does not feel my performance warrants scholarship retention, I understand my
scholarship offer can be withdrawn immediately.

HSSP SELECTEES WITH NON-TECH MAJORS. I understand that I must complete a minimum of
two semesters or six quarters of language training contingent upon the availability of language programs
at host or associate campuses. I understand that if I fail to complete this requirement by the first day of
my final year of AFROTC classes, I may lose my scholarship and be disenrolled from the program. In
such situations, I understand that I may be required to repay the scholarship funds or be called to serve
on active duty for a period of 2 years.
