Due Dates (and Exam Dates)
EAPS 10000 001  *Planet Earth*
Fall 2017
Last updated: November 7, 2017

Exams (Exams I and II will be in class, 12:00 – 1:15 p.m., in WTHR 200; Exam III will be during Finals Week).

Exam I  
*Tuesday, September 26 (in class)*

Exam II  
*Thursday, November 2 (in class)*

Exam III (Finals Week)  
*Saturday, December 16, 1:00-3:00 p.m., WTHR 200.* Because many of you will want to take your exam earlier, we will also have alternate final exam sessions (for sign-up only) earlier in the week. More information will be provided about 3 weeks before finals week.

Exams include material covered in class in the (approximately) 5 weeks before each exam. The Final Exam is also not cumulative.

Homework (Note: Late homework is accepted; points will be deducted for late homework; if you do not turn in homework during class, you may deliver it to HAMP [CIVL] 2271). Paper copies of Homework will be handed out in class and a due date announced.

Homework assignments 1, 2, and 3 are worth 30 points each. Homework assignment 4 is worth 40 points. Homework assignments 5 and 6 are worth 20 points each. In-class activities and quizzes are worth 10 points each.

(Paper copies of all assignments will be handed out in class and a due date announced.)

**Homework 1** – Radioactive Decay  
*Tuesday, September 19*

**Homework 2** – Hawaii Hotspot  
*Thursday, October 5*
