

Kaleb

Glen Acres Elementary

Growing up is hard for me
I don't know what I want to be

I could be a **pilot** 
And learn to fly a plane

I could be a **doctor** 
And learn about the brain

I could be an **athlete** 
And learn about the game

Growing Up

I could be an **engineer** 
And learn to drive a train

Growing up is hard for me
There's lots of things that I could be
But right now I think I'll just be **Me!**
